

Are you self-isolating?

You might need the support of Borough Green Helpers

We are a team of 20+ volunteers from the local community who are happy to help you. This might be with:

- Shopping/supplies
- Posting letters/parcels
- Collecting prescriptions
- A friendly phone call

Please feel free to contact either:

Katherine Keen: 07533 794 431

Jessica Stupple: 07801 187 029

Siobhan Hurl: 07595 622 993

We can then put you in touch with one of our helpers. You are not alone and as a community let's all help each other at this time.

WOODLANDS RESIDENTS ASSOCIATION

Dear Residents

It has been brought to our attention that there are some unscrupulous individuals going around Borough Green offering help to do your shopping but just disappearing with your money! Please be very careful. To that end we have the following plan :-

In the event of a lockdown, self-isolation etc, help is available! Please make contact by telephone if you are in need of help. This is just in case you need some Shopping, Posting of mail, Urgent supplies or just a friendly phone call. Medical help should be found on the internet or telephone - 111.

Point of first contact Steve Hayman 885557

Or contact your road rep who will be glad to help.

Editor's note - The above is an example of what one residents association is doing. If there are other examples I would be pleased to include them in future editions of the magazine.
