

ROCK RD - QUARRY HILL RD JUNCTION (If Mafeking Oak has to be removed)

ADVANTAGES

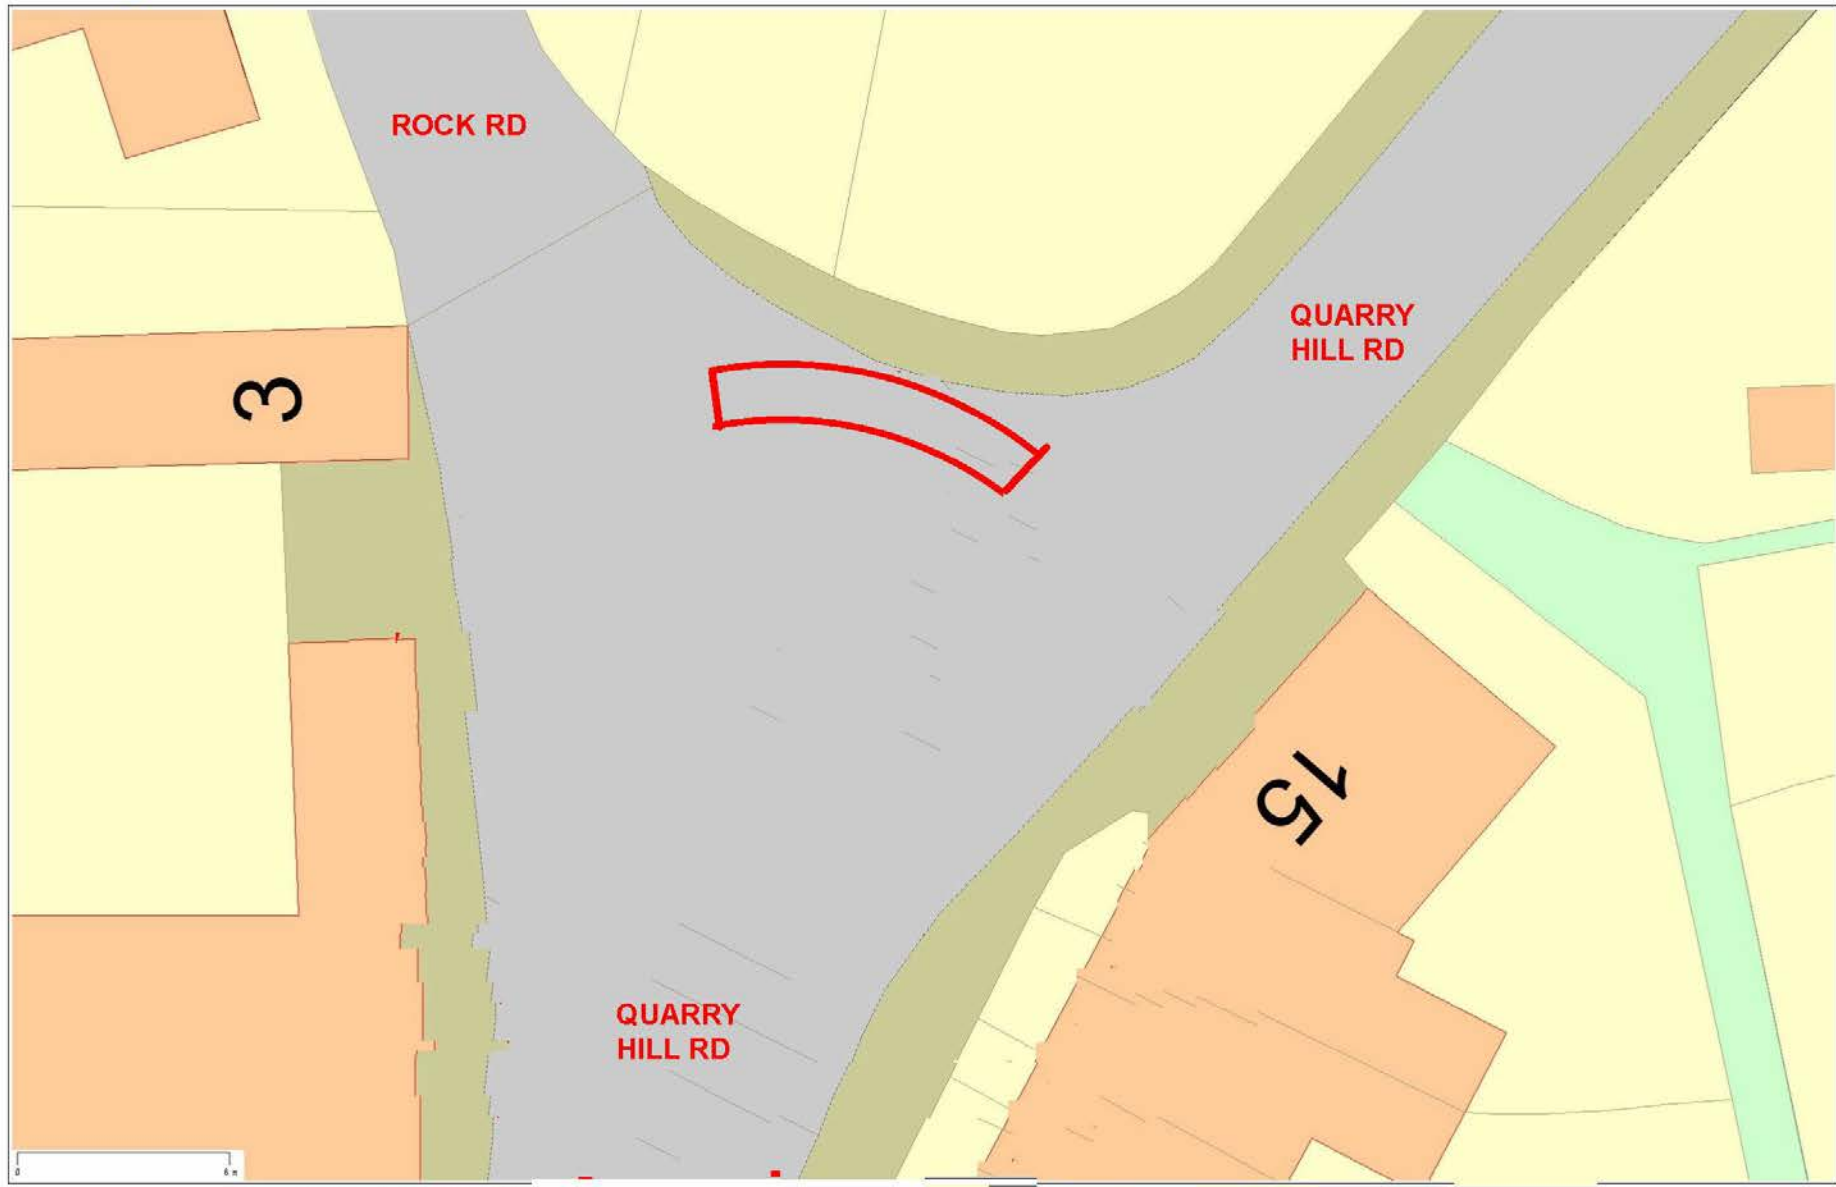

Very convenient at the Centre of the Village

In the public eye, a constant reminder, and less risk of vandalism

Close to Churches

DISADVANTAGES

Not a very tranquil or contemplative area. Planning permission and lease required. No safe area for Remembrance Services, unless Quarry Hill is closed. Very cluttered area. Difficult area for builders. Public wish for replacing with a new tree and garden area
